Re: U.S. \$1,000 REBATE FOR BLADDER FUEL TANK RETROFIT KITS
OFFER EXTENDED TO APRIL 30, 2013

Robinson Helicopter Co. (RHC) is offering for a limited time a U.S \$1,000 rebate to all R44 owners who purchase and install the KI-196 Kit, in accordance with SB-78B. This offer has been extended to include all fuel tank kits **purchased and installed on or before April 30, 2013.**

To receive the rebate, the owner must provide RHC with the aircraft serial number, RHC invoice number and a copy of the logbook page which includes the date of installation and the mechanic's signature. All requests for credit must be received by RHC no later than May 31, 2013 and does not apply to aircraft covered under warranty.

KI-196 kits are readily available and may be ordered thru your RHC customer service representative.

Regards,
Robinson Helicopter Co.
