SERVICE LETTER #47

DATE: 10 April 1996

TO: R22 Owners, Operators and Service Centers

SUBJECT: "GOV OFF"(governor off) caution light

ROTORCRAFT AFFECTED: Governor-equipped R22s which do not have
a "GOV OFF" caution light.

BACKGROUND: Current production R22s and Governor Installation
Kits include a "GOV OFF" caution light to alert
pilots when the governor is switched off. To
enable all governor-equipped R22s to take advantage
of this important feature, RHC has developed a kit
to retrofit the caution light.

COMPLIANCE PROCEDURE: Order KI-100, Governor Off Caution Light
Installation Kit, from RHC Customer
Service and install per kit instructions.

APPROXIMATE COST: Parts: \$25.00

Labor: 1.5 manhours
