R66 SERVICE LETTER SL-12

DATE: 04 April 2016

TO: R22, R44 & R44 II, and R66 Owners, Operators, and Maintenance Personnel

SUBJECT: Altimeters

BACKGROUND: United Instruments, Inc. has issued Service Bulletin No. 13, which affects certain 5934-series altimeters manufactured between January 2015 and February 2016. Recent production RHC part number A613-1, -2, and -4 altimeters are United Instruments, Inc. part number 5934-series altimeters.

COMPLIANCE PROCEDURE:

1. Refer to United Instruments, Inc. Service Bulletin No. 13 instructions, located online at: www.unitedinst.com.
2. Refer to helicopter maintenance records and determine if installed altimeter model and serial number is affected. If installed altimeter is not affected, no further action is required.
3. If installed altimeter is affected, follow Service Bulletin No. 13 instructions as soon as practical.

NOTE: RHC is not a designated service facility for United Instruments, Inc. Service Bulletin No. 13 repairs.
